GRANT AGREEMENT BETWEEN FRIENDS OUTSIDE IN LOS ANGELES COUNTY AND LOS ANGELES COUNTY SHERIFF'S DEPARTMENT, CORRECTIONAL SERVICES DIVISION

1. Los Angeles County and the Los Angeles County Sheriff's Department ("Grantor") hereby provide a three year grant to Friends Outside in Los Angeles County ("Grantee"), pursuant to the terms of the agreement between Plaintiffs and the County of Los Angeles in *Williams v. County of Los Angeles*, Case No. CV 97-03826-CW, which provides for the allocation of monies to fund the work of community organizations serving the needs of populations at risk to be detained in jail. Grantee has been determined to be such an organization and has been agreed to be an appropriate grantee by all relevant parties.
2. This grant is for Grantee's Jail Services program, which provides support services to the families of those incarcerated and a variety of re-entry support programs. The grant is to support and further the work of Grantee's Jail Services program. To the extent that it is consistent with the Jail Services' overall program and resources, Grantee will take referrals from the LASD of people who meet the program's criteria and objectives, through mechanisms to be worked out between them. However, this grant is not conditioned on Grantee's ability to process any particular number of such referrals, but rather on the continuation of its overall program and activities.
3. This grant is in the amount of no less than \$50,000 per year for three years. Grantor shall disburse the grant at the beginning of each year, with the first payment to be made on February 1, 2006, and subsequent payments to be made annually thereafter for the life of the grant.
4. Grantee shall use the grant solely for the purposes stated above, and Grantee shall repay to Grantor any portion of the amount granted which is not used for those purposes. Any changes in the purposes for which grant funds are spent must be approved in writing by the Grantor and by Barry Litt (Plaintiffs' Counsel in *Williams v. County of Los Angeles*, above) before implementation.
5. Grantee shall coordinate with Director Karen Dalton of the Correctional Services Headquarters, or her designee, regarding those aspects of the grant requiring such coordination. If Director Dalton appoints a designee, that person will remain the

_____.

6. To facilitate the objectives of this Agreement, LASD will: a) provide reasonable access for Grantee's personnel to inmates of the Los Angeles County Jail system who are referred by the LASD and accepted by Grantee, after persons designated by Grantee have been subjected to a successful background check, b) provide an area within the Los Angeles County Jail to engage in activities contemplated under this Agreement, and c) provide an orientation meeting to members of Grantee to familiarize them with the policies and procedures of the custody facilities where they will be conducting any activities.
7. To facilitate the objectives of this Agreement, Grantee will: a) provide services as described above at no additional cost for any inmate referred by LASD and accepted by Grantee, b) adhere to LASD rules, regulations, policies, and procedures while on the premises of any County Jail, and c) report any difficulties or concerns regarding activities within the County Jail in which it is involved directly to Director Karen Dalton of the Correctional Services Headquarters, or in her absence to Operations Assistant III, Joanne Coates of Correctional Services Headquarters.
8. Grantee will provide semi-annual reports to Grantor. Each report shall describe the programs conducted by the Grantee with the aid of this grant and expenditures made with grant funds, and shall report on the Grantee's compliance with the terms of this Agreement. The report shall include Grantee's overall activities for the previous period, how the grant funds were used in the previous period, and, to the extent Grantee provides specific services to persons referred by Grantor and accepted by Grantee, summary information regarding its activities with that person, the extent of that person's participation in Grantee's program, the tracking of that person post-release, and that person's current status. Included in the report shall be a basic spreadsheet showing the expenditure of funds for the previous period. Grantee shall also provide Grantor with its annual or periodic report if one is prepared in the normal course of business.
9. Grantee shall not use any portion of the funds granted herein to intervene in any political campaign on behalf of or in opposition to any candidate for public office, to fund union activity, to induce or encourage violations of law or public policy, to cause

10. Grantee shall notify Grantor immediately of any change in (a) Grantee's tax-exempt status, or (b) Grantee's executive staff or key staff responsible for achieving the grant purposes.
11. Grantee hereby irrevocably and unconditionally agrees, to the fullest extent permitted by law, to defend, indemnify and hold harmless Grantor, its officers, directors, trustees, employees and agents, from and against any and all claims, liabilities, losses and expenses (including reasonable attorneys' fees) directly, indirectly, wholly or partially arising from or in connection with any act or omission of Grantee, its employees or agents, in applying for or accepting the grant, in expending or applying the funds furnished pursuant to the grant or in carrying out the program or project to be funded or financed by the grant, except to the extent that such claims, liabilities, losses or expenses arise from or in connection with any act or omission of Grantor, its officers, directors, trustees, employees or agents. Grantee shall obtain from their insurance carrier(s) certificates of insurance naming the County of Los Angeles as an additional insured during the term of the grant. Grantor shall have the right to participate in such defense with counsel of its own choosing, if permitted under the subject insurance policy.
12. Such action by Grantor must be approved by Barry Litt. Nothing in this agreement shall interfere with Grantor's right or ability to deny access to County jail facilities to Grantee in the event that Grantor determines that Grantee has failed to abide by the terms of this Agreement.
13. In the event that Grantee ceases its operations, Grantee shall immediately transfer any remaining grant funds, or any property purchased with the grant funds, to Grantor.
14. As soon as practicable but no later than within six months of the first grant payment, Grantor and Grantee will meet and jointly develop the goals and objectives of the grant in greater detail than is reflected in this Agreement. A mutually agreeable

Such action by Grantor must be approved by Barry Litt. A mutually agreeable statement of those goals and objectives shall be

prepared and signed by both parties, which shall be considered an Addendum to this Agreement.
